

assum

- Three directions

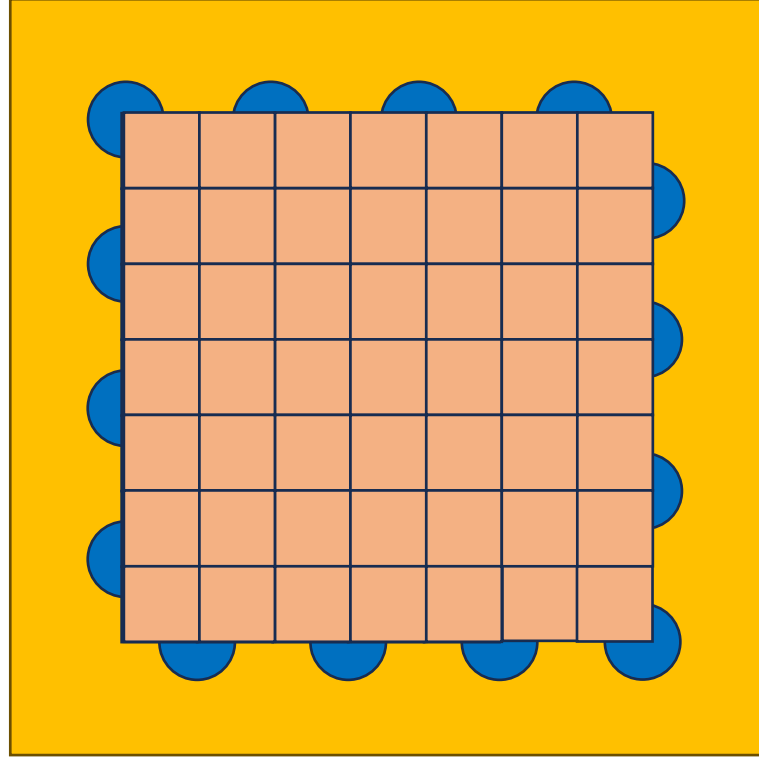

rug

- YELLOW, PURPLE, RED, BLUE

board

Money coins

dice

- Then, a special die is rolled to determine how far Assam moves on this turn.
- The die is 6-sided, but the sides are numbered 1-4, with the numbers not equally common.
- It has:
 - - One face which shows a one
 - - Two faces which show a two
 - - Two faces which show a three
 - - One face which shows a four
